2012 FROZEN SEMEN BREEDING CONTRACT

This contract dated _____ is between _____, herein referred to as Mare Owner(s) and Xtra Quarter Horses LLC herein referred to as Breeder. Mare owner has engaged one service to the stallion **WIMPYS LITTLE STEP** Reg No. **3863115** for the mare _____ Reg No. _____ for the **2012** breeding season. The Mare Owner/Agent agrees to pay a breeding fee **\$ 8500 (\$7500 if booked by 12/31/11; \$6500 if paid in full by 12/31/2011)**. This includes a **\$1000** NON-REFUNDABLE booking/chute fee which is payable upon execution of this contract. A **\$500** NON-REFUNDABLE Frozen semen fee as well as the balance of the stud fee is due prior to the authorization of the semen shipment. The following conditions of service are mutually agreed between Mare Owner/Agent, named above and Xtra Quarter Horses LLC upon execution of this contract:

1. It is recommended that a thorough veterinary reproductive exam and normal uterine cytology and/or uterine culture should be taken before commencing breeding.
2. The mare will not be supplied with semen unless the \$500 frozen semen charge has been paid in full, in addition to the booking and breeding fees. All payments must be made payable to Xtra Quarter Horses in US dollars.
3. The breeding fee and \$500 frozen semen charge allows up to two (2) doses of frozen semen to be allocated to a mare in one breeding season. If the mare fails to conceive with the two doses, additional shipments may be authorized and the \$500 frozen semen charge in addition to shipping and importation fees will apply for each shipment. If the mare absorbs/aborts a pregnancy, Xtra Quarter Horses agrees to offer rebreed privileges applicable only to the next normal breeding season and will be subject to a rebreed fee of **\$500** and other frozen semen charges in force for that year.
4. All shipping expenses and importation fees are the responsibility of the mare owner.
5. This contract contains a "Live Foal Guarantee". A live foal is defined as a new born foal which stands and nurses without assistance. Rebreed privileges shall apply only if the Breeder is notified within seven (7) days thereof, and receives a veterinarian's statement confirming death. A rebreed fee of \$500 will be charged. If the mare does not return for a rebreeding the following year, and other arrangements have not been made, any and all fees paid shall be forfeited. The right to a rebreed is cancelled and the Stallion Owner and the Breeder are released from all further obligations to this contract.
6. A "Breeders Certificate" will be issued upon notification of the birth of the foal, only after all fees are paid in full including any past due board bills or veterinary charges on any horse owned by the mare owner.
7. If an embryo transfer, from a single flush, results in multiple pregnancies, the mare owner will be required to sign an additional contract and another Stallion fee will be due for each resulting foal prior to issuing breeders certificates.
8. The mare owner agrees to use all frozen semen provided by the Agreement for the mare named in this contract and no other. A substitute mare may be used only if the original mare is deceased or is deemed unfit for breeding by an accredited veterinarian. The substitute mare must be approved by Xtra Quarter Horses and will be subject to a \$1000 transfer fee.
9. Xtra Quarter Horses makes no guaranty of the integrity, quality, or characteristics of the frozen semen.
10. The parties acknowledge that this agreement is made and shall be considered to be entirely performed within the State of Oklahoma. Under Oklahoma law, an equine professional is not liable for an injury or death of a participant in Equine activities resulting for inherent risks of Equine activities.
